Introducing the ARitize™ eCommerce Solution, the first truly cross-platform, browser-based, web-enabled AR eCommerce option in a \$2.8 trillion market

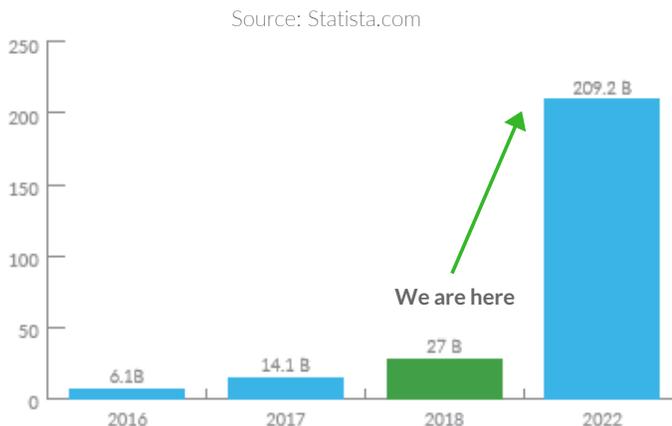

The ARitize™ eComm platform having been integrated with Shopify, Wordpress and Magento is built for scale and mass-adoption enabling small and large eCommerce sites to integrate AR into the shopping experience with just a simple line of embed code.

No developer or special programming needed.

PLUG AND PLAY ON MILLIONS OF ECOMMERCE WEBSITES

The ARitize™ eComm Solution democratizes AR at scale by using browser-based technology, no app required.

Forecast augmented (AR) and virtual reality (VR) market size worldwide (in billion U.S dollars).

AR Live Streaming and Telepresence Adding Value To Our Ecosystem in Q1 2019

The live streaming market is expected to grow from US\$30 Bn in 2016 to US\$70 Bn by 2021. 63% of people ages 18-34 are watching regularly with 10 million DAU.

- All social media platforms are jumping into Live Streaming: Youtube Live, Facebook Live, Snapchat Live Stories, Periscope, Meerkat, Twitter and others.
- Corporate videos posted to social media increases page engagement by 71%.
- 90% of their shoppers prefer websites that include product videos while 9 out of 10 shoppers interacting with a video related to the item being shopped before adding it to the cart and completing a checkout and sale.
- 91% of B2B buyers prefer interactive and visual content
- Interactive video content generates 2x more conversions than passive content

Enhance Shopping Experiences With Live Holograms in Augmented Reality:

- Choose the perfect outfit from the comfort of your couch with the help of a virtual shopping assistant
- Get the guidance you need right at home from a personal coach or mentor
- Dig even deeper inside your favorite book with commentary from the author
- Turn your living room into a classroom led by one of your favorite instructors
- Cook your favorite dishes at home with a little help from your favorite chef
- Head to your garage for second opinion on your vehicle from a professional mechanic
